

5-30-2000

DEAR COMMISSIONER HENRY,
JUN 14 11:27

I'M CORRESPONDING WITH YOU ABOUT A VERY
IMPORTANT ISSUE WITH ME; THE ISSUE IS LABEL-
ING OF GENETICALLY ENGINEERED (GE) FOODS.

THE PROPOSED LEGISLATION (DOCKET NO. OOP-1211)

CPH SHOULD HAVE YOUR UNEQUIVICAL SUPPORT.

ALL PEOPLE SHOULD HAVE THE RIGHT TO ~~KNOW~~

BE ABLE TO KNOW WHAT FOOD IS ALTERED

(FAKE FOOD) ^{OR} (FRANKENFOOD). I HAVE NOT BEEN ABLE

TO TELL THE DIFFERENCE BETWEEN GENETICALLY

ENGINEERED FOOD & NON GE FOOD.

I WANT THE FDA, USDA, & MANUFACT-

URERS TO SUSPEND FURTHER INTRODUCTION OF GE
OOP-1211

C1295

CROPS TO THE MARKET PLACES THAT
ARE NOT CLEARLY LABELED AS TO THE
~~THE~~ GUIDELINES FOR LABELING OF GE
FOODS NEEDED NOW. THERE IS AN
URGENT NEED FOR LONG TERM LABELING
AND HUMAN SAFETY TESTING.

DO YOU INTEND TO SUPPORT THIS
LEGISLATION? LET ME KNOW, PLEASE.

Thank you,

Stephen Royal

Dear Commissioner Henney,

I am writing to request your support for legislation that will require clear labeling of all genetically engineered (GE) foods (Docket No. 00P-1211/CPI).

I believe that as an American consumer, I deserve the right to make an informed choice when buying foods. Without labeling information, I will not be able to tell the difference between a genetically engineered and a non-GE product.

I strongly urge the FDA, USDA and manufacturers to suspend the further introduction of genetically engineered crops to the market without clear labeling guidelines and long-term environmental and human safety testing.

Please let me know if you intend to support this legislation. Thank you.
